

IMMACULATE CONCEPTION & ST. JOSEPH PARISHES

2015-2016 *Vivace* Liturgical Choir

Dear Families,

ICSJ Director of Music

*Kate Ryan is thrilled to introduce
Vivace: a liturgical choir for singers
and musicians in grades 4-8.*

In *Vivace*, (which means lively/vivacious in Italian), our goal is to support and enhance liturgical worship by bringing new excitement and energy to the weekly school liturgies and monthly Family Masses at St. Joseph's Church.

Music is so vital to our Liturgies and our lives. It helps us pray from the heart and express ourselves.

Understanding that music is a form of prayer and celebration, I look forward to sharing my love of music and worship with this new group of student singers. As a music educator, I have worked with young musicians of all ages and experience levels. As a professional musician, I have performed everything from classical to musical theater, to pop, to jazz, and have recorded and toured extensively. Music has formed me into who I am today, and I am excited to make music with your students!

Kindly,

Kate Ryan, Director of Music
